#### **Who are we?**

Little Orchard is a Community Childcare Service based in Leighlinbridge County Carlow.

We cater for children aged 6 months to 12 years of age. We are a unique setting as we are based in an old parochial house which provides us with a real home from home environment. Our village setting allows for regular outings for walks and visits to the large sports grounds adjacent to our service. We also have one of the largest outdoor facilities in the county.

If you are enthusiastic and passionate about play based and outdoor learning then Little Orchard is the place for you!

If you have a minimum qualification level QQI level 6 or above we invite you to send you send an Application Form accompanied by a Cover Letter by way of application to join our team for the attention of Lisa Marie Carr at [littleorchardcommunitychildcare@yahoo.com](mailto:littleorchardcommunitychildcare@yahoo.com)
